

## A Cold Cell

Coil

This is apparently an English rendering of a Russian  
Convicts' prayer.

O Lord, save my sinful soul  
From local punishment  
From the far-away zone  
From being frisked  
From the tall fence  
From the severe prosecutor  
From the Devil or from the devil owner  
From small rations  
From dirty water  
From steel handcuffs  
From hidden obligations  
A cold cell  
And short haircuts  
Save us from the death penalty  
Amen  
Amen  
Amen
