## **Fire Of The Mind**

Does death come alone or with eager reinforcements? Does death come alone or with eager reinforcements? Death is centrifugal Solar and logical Decadent and symmetrical Angels are mathematical Angels are bestial Man is the animal Man is the animal

The blacker the sun The darker the dawn Flashes from the axis Flashes from the axis On the hummingway to the stars

Holy holy, holy holy, holy oh holy Holy holy, holy holy, holy Holy holy, holy holy, holy

Man is the animal

The blacker the suns The darker the dawn
