Coil

This is the dark age of love

- And you better get me some LSD. Hurry then!
- I'll get... I'll get you some LSD. (repeated)

From the film The Wizard of Gore:

- What is real?
- Are you certain you know what reality is?
- As it really is! (repeated)
- How do you know that in this second, you aren't asleep in you
- r bed, dreaming that you are here in this theatre?
- All your life, your past, your rules of what can or cannot be
  it all was part of one long dream from which you are about to awaken and discover the world as it really is! (repeated)
