

# Auld Lang Syne

Colbie Caillat

Should old acquaintance be forgot  
And never brought to mind?  
Should old acquaintance be forgot  
Auld lang syne

For auld lang syne  
My dear, for auld lang syne

We'll take a cup of kindness yet  
For auld lang syne

Should old acquaintance be forgot  
And never brought to mind?  
Should old acquaintance be forgot  
Auld lang syne

For auld lang syne  
My dear, for auld lang syne

We'll take a cup of kindness yet  
For auld lang syne

Deh deh deh deh deh deh deh-deh-deh  
Deh deh deh deh deh deh deh deh deh-deh-deh  
Deh deh deh deh deh deh deh deh deh-deh-deh deh

Deh deh deh deh deh deh deh deh deh-deh-deh  
Deh deh deh deh deh deh deh deh deh-deh-deh  
Deh deh deh deh deh deh deh deh deh-deh-deh deh

Should old acquaintance be forgot  
And never brought to mind?  
Should old acquaintance be forgot  
Auld lang syne
