Baby, It's Cold Outside

Colbie Caillat

I really can't stay, but baby it's cold outside I've got to go away, but baby it's cold outside This evening has been, been hoping that you'd drop in So very nice, I'll hold your hands, they're just like ice My mother will start to worry, beautiful, what's your hurry? My father will be pacing the floor, Listen to the fireplace roar So really I'd better scurry, beautiful, please don't hurry Well maybe just a half a drink more Put some records on while i pour

The neighbors might think, baby, it's bad out there Say, what's in this drink? no cabs to be had out there I wish I knew how, your eyes are like starlight To break the spell, I'll take your hat, your hair looks swell I ought to say no, no, no, sir, mind if I move in closer? At least I'm gonna say that I tried What's the sense in hurting my pride? I really can't stay, baby don't hold out Oh, but it's cold outside

I simply must go, but, baby, it's cold outside The answer is no, oh, darling, it's cold outside This welcome has been, I'm lucky that you dropped in So nice and warm, look out the window at that storm My sister will be suspicious, gosh, your lips look delicious My brother will be there at the door, waves upon a tropical show My maiden aunt's mind is vicious, Gosh, your lips are delicious Maybe I'll just have a drink more, Never such a blizzard before

I've got to go home, baby, you'll freeze out there Say, will you lend me your coat, It's up to your knees out there You've really been grand, I'm thrilled when you touch my hand But don't you see, how can you do this thing to me? There's bound to be talk tomorrow, think of my life long sorrow At least there will be plenty implied If you caught pneumonia and died I really can't stay, get over that hold out Ohhh, but it's cold outside

I ought to say no, no, no, sir, mind if I move in closer? At least I'm gonna say that i tried What's the sense in hurting my pride? I really can't stay, baby don't hold out Oh, but it's cold outside

Oh, but it's cold outside.
