Baby's On Fire

Cold Chisel

Baby's on fire, it's a beautiful thing Baby's on fire, it's beginning to sing Baby's on fire, so imaginative Nobody else gets to see it and live

Baby's on fire, the moonlit skin Black and white cinema, outa Berlin Black and white cinema, flooding inside Baby's on fire in the submarine tide

Baby's on fire And I I'm in flames I been workin' all day Baby and I are gonna get away I been workin' all day and all I know Baby's on fire, the higher and higher we go

And I I'm in flames
