Miracle Mile

Cold War Kids

I was supposed to do great things I know the road was long But I wasn't raised to shoot for fame I had the safety on

I cut my ties, I sold my rings I wanted none of this If you start from scratch you have to sing Just for the fun of it

I'd be alright, if I could just see you Come up for air, come up for air A miracle mile, where does it lead to Come up for air, come up for air

I feel the air upon my face Forget the mess I'm in Hold me again, don't count mistakes I lost track of them

I'd be alright, if I could just see you Come up for air, come up for air A miracle mile, where does it lead to Come up for air, come up for air

I was in the mud, I was in the dirt Went underground and I found what I was worth All alone and I know I cant stay But we're walking up and down the streets to stay awake

Come up for air, come up for air, come up Come up for air, come up for air, come up Come up for air, come up for air, come up Come up for air, come up for air, come up

Get outside, get all over the world You learn to love what you get in return It may be a problem and it may be peace of mind Put your head down down and breathe one breath at a time

Come up for air, come up for air, come up Come up for air, come up for air, come up Come up for air, come up for air, come up Come up for air, come up for air, come up

I'd be alright, if I could just see you Come up for air, come up for air A miracle mile, where does it lead to Come up for air, come up for air

I'd be alright, if I could just see you A miracle mile, where does it lead to
