

A Day's Work

Coldfinger

One, two, three, it's comin' to me
One, two, three, it's comin' to me
One, two, three, it's comin' to me
Three, four, five, took me by surprise

One, two, three, it's comin' to me
Three, four, five, took me by surprise
Five, six, seven eight, just a little too late
Eight, nine, ten, it's comin' to an end now

One, two, three, it's comin' to me
Three, four, five, took me by surprise

You know it took me by surprise
Oh... one, two, three,... I'm almost three

One, two, three, it's comin' to me
Three, four, five, took me by surprise
Five, six, seven eight, just a little too late
Eight, nine, ten, it's comin' to an end now

One, two, three, it's comin' to me
Three, four, five, took me by surprise
Five, six, seven eight, just a little too late
Eight, nine, ten, it's comin' to an end now

...Comin' to me...
...Took me by surprise...
...Just a little too late...
Eight, nine, ten, it's comin' to an end now
...Comin' to an end now
...Comin' to an end now
...Comin' to an end now
...Comin' to an end now
