

Prospekt's March

Coldplay

Am **F**
Smoke is risin' from the houses
People buryin' their dead
I asked somebody what the time is
Cmaj7
But time doesn't matter to them yet

F **Am** **Cmaj7**
People talking without speaking
Tryin' to take what they can get
I ask you if you remember
D **F**
Prospekt how could I forget

C **Am**
Drums! Here it comes!
F
Don't you wish your life could be as simple
As a fish swimming round in a barrel

D
When you've got the gun
Dm7 **C**
Oh and I run
Here it comes!
We're just two little figures in a soup bowl
Tryin to get beyond a kind of control

Dm **Dm/F**
But I wasn't one

G **Em** **F**
Now here I lie on my own in a separate sky
Now here I lie on my own in a separate sky
I don't wanna die On my own here tonight
Now here I lie on my own in a separate sky...
