In the age of ignorance
We give up our innocence
And no one knows what is real
Copy-paste intelligence

Picture perfect is the only way to go

Holographic lives on sale

Show me life
Are you really living?
Are you really breathing?
Show me a smile
And don't you try to fake it
Don't you try to make it
Anymore

You don't know, what you've lost Going down in a spiral You see numbers nothing real Buy in bundle, how's it feel? Picture perfect is the only way to go

Photogenic lies on sale

Show me life
Are you really living?
Are you really breathing?
Show me a smile
And don't you try to fake it
Don't you try to make it
Anymore

Live!

Larger than an image could contain Just live! Larger than a story could explain Life is not a fucking race! Learn to live at your own pace!
