All of You

Cole Porter

I love the look of you, the lure of you The sweet of you, the pure of you The eyes, the arms, the mouth of you The east, west, north and the south of you

I'd love to gain complete control of you And handle even the heart and soul of you So love, at least, a small percent of me, do For I love all of you

I'd love to gain complete control of you And handle even the heart and soul of you So love, at least, a small percent of me, do For I love all of you, for I love all of you
