

# You'd be so nice to come home to

**Cole Porter**

You'd be so nice to come home to  
You'd be so nice by the fire

While that breeze on night sings a lullaby  
You'd be all my heart could desire  
Under stars chilled by the winter  
Under an August moon shining above

You'd be so nice you'd be paradise  
To come home to and love
