

The Finest Things

Colette Carr

Sittin on the finest
Kick it with the finest
Sippin on the finest
DJ's who wind this
Drippin in the finest
Nothing but the finest
And if you ain't the finest
You can get right behind us

Welcome to my introduction
Where everybody feeling
Like they limited edition
I rock the finest bitches living
Laced up
Faced, they made up
No competition
Why they hatin on my vintage
Limo tainted
90-something
You know girls city missing
Windows down when we whippin
Double C's on the neck
Double C's in the system

Hit 'em with the fittest of the finest things
Yeah you know me, you know me
Put it put it down for my town
Miss my diamond ring
Yeah you know me, you know me
I'm sitting in condition seven days a week
Yeah you know, you know me, you know me
Down for the fittest in the finest things
Put it down for my town, miss my diamond ring
I'm

Sittin on the finest
Kick it with the finest
Sippin on the finest
DJ's who wind this
Drippin in the finest
Nothing but the finest
And if you ain't the finest
You can get right behind us

GTG is how I'm living
Well the last G
Means I make it go
Get it?
Everybody notice when I flip it
Candy paint lips
Make you wanna taste my lipstick
Drippin in things
You wish you knew the make of
I don't guarantee receipts for your paper
I don't give a fuck, if you suck
Cuz wanna break-up
I could get dick for days with no make-up

Hit 'em with the fittest of the finest things
Yeah you know me, you know me
Put it put it down for my town
Miss my diamond ring
Yeah you know me, you know me
I'm sitting in condition seven days a week
Yeah you know, you know me, you know me
Down for the fittest in the finest things
Put it down for my town, miss my diamond ring

Looking for love for my life
At all times
I can't get down
I ain't afraid to shine
You can get yours
And I can get mine
You can get yours
And I'ma get mine
Looking for love for my life

At all times
I can't get down
I ain't afraid to shine
You can get yours
And I can get mine

You can get yours
And I'ma get mine, fine

Yeah you know me, you know me
Hit hit em
Hit hit hit em
You know me, you know me
I put it down
I put it down
I put it down
Yeah you know me, you know me, you know me
Nothing but the fittest in the finest things
Yeah you know me, you know me
