

## Bad Habits

Colin James

Got a few bad habits baby  
Yeah but baby you're the one I need to stay  
Got a few bad habits baby  
Yeah but baby you're the one I need to stay

Well I got to cut you loose now baby  
Only you cause my heart to break

I can cut down on my smoking baby  
And I'm taking babe I can cut down on it too  
I can cut down on my smoking baby  
And I'm taking babe I can cut down on it too

But don't you know it ain't so easy baby  
I'm cutting down on you

Got a few bad habits baby  
Yeah but baby you're the one I need to stay  
Got a few bad habits baby  
Yeah but baby you're the one I need to stay

Well I got to cut you loose now baby  
Only you cause my heart to break
