Whirling
Twirling
Inbetween
You're blurring
Your words
And you're very complicated
Dream I'm addicted to you
Whatever
Put you back where you belong
Dream
And your very misleading

All your words are complicated Turning around and inbetween Whirling twirling Lines are gone Find a place where you believe

Whatever
Whatever you mean
Turn
And you trun yourself around
Put you back where you belong I'm addicted to you

All your words are complicated Turning around and inbetween Whirling twirling Lines are gone Find a place where you believe Complicated Inbetween Complicated Lines are gone All your words are complicated Turning around and inbetween
