

## So Long

Collide

So long why  
Does it take so long  
What if I wait for you  
Am I the only one

So long what did it mean  
Turn around here and  
See if it breaks in two  
Am I the only one

Secrets turn your soul out  
I could always be there  
Make this all  
I turn around  
Suddenly  
What if it breaks in two  
Am I the only one

So long  
Forget your going  
So long  
Show me there  
I think you will  
So long what did it mean  
Why does it take so long  
What if I break in two  
Am I the only one

Secret tears your soul out  
I could always be there  
So suddenly  
Flying through the air  
Am I not the only one  
The only only only one  
Did I tell you  
Sometimes it hurts
