So Long

So long why Does it take so long What if I wait for you Am I the only one

So long what did it mean Turn around here and See if it breaks in two Am I the only one

Secrets turn your soul out I could always be there Make this all I turn around Suddenly What if it breaks in two Am I the only one

So long Forget your going So long Show me there I think you will So long what did it mean Why does it take so long What if I break in two Am I the only one

Secret tears your soul out I could always be there So suddenly Flying through the air Am I not the only one The only only only one Did I tell you Sometimes it hurts Collide
