

Stuck On You

Collie Buddz

This one for me and you
Girl, this one for me and you
I beg you give me some room
Me see a place vacant inna your heart
Oh well, man, have to build it up soon
Take you away from all the pagans inna the dark
Sweep you off your feet like broom
You are the key, baby girl, make it start (I beg you, I beg you)
Me girl, you hotter than char
Bet everyday me see you in a me thoughts

And I cannot help myself
Baby, I'ma make a move
You've been got me stuck on you
Reservation for us two
Baby, I'ma make a move
You've been got me stuck on you
Reservation for us two

I'm not sure, but she solid
The bag a negative, them chat it invalid
Me and you together, we the best, a never call it
She full a etiquette, me girl, you full a knowledge
You get the bad, baby girl, you a no baggage
Top notch, them no stop watch, you no average
Let's shop shop, make we take a stop down a Paris
Chop chop, beg you give me your hand in a marriage

I just cannot help myself
Baby, I'ma make a move
You've been got me stuck on you
Reservation for us two
