

Let It Be Me

Collin Raye

I bless the day I found you
I want to stay around you
And so I beg you
Let it be me

Don't take this heaven from one
If you must cling to someone
Now and forever
Let it be me

Each time we make love
I found complete love
Without your sweet love
What would life be

So never leave me lonely
Tell me you love me only
And that you'll always
Let it be me

Each time we made love
I found complete love
Without your sweet love
What would life be

So never leave me lonely
Tell me you love me only
And that you'll always
Let it be me

Promise you'll always
Let it be me
