

Denial

Combichrist

You know I never believed in you
Must be nice for those who do
There's only one choice
I chose not to belong

Never lived a life of regrets
On my own never feared your threats
You're not my God
I've seen the answers they get

Had such a desire
We're coming through
Well I said it
Well I blame it all on you

It always was too good to be true
Living in your shadow without a clue
I can't save them
Slaves of the word

My free will is to live by my will
To live free and I won't plea
I blame you for the demons in me

Had such a desire
We're coming through
Well I said it
Well I blame it all on you

I'm in denial
I'm such a fool
Well I said it
Well I blame it all on you

Don't even know who I am
How could I know that I am
I thought I knew who I am
Just a shadow of who I am

Had such a desire
We're coming through
Well I said it
Well I blame it all on you

I'm in denial
I'm such a fool
Well I said it
Well I blame it all on you
