

## Tractor

Combichrist

You are like a sports car.  
you are so fast.  
the smell of sex and money,  
and you can go far.  
But I am like a tractor.  
I am slow but I am fit.  
And eventually I'll find you,  
and crush you like a little shit.  
but I am like a tractor.  
but I am like a tractor.  
but I am like a tractor.  
but I am like a tractor.  
I am like a tractor.  
(repeat for a really long time)
