

What the Fuck Is Wrong with You?

Combichrist

Intolerance of glorified ignorance
That sucked you down with your face pushed against the fence
Why don't you finish yourself, since you don't really care
Let the screams in your head be the last thing you hear
Just give it a go

Hey you, what the fuck is wrong with you? (4x)
What the fuck is wrong with you? (3x)

Part of me (part of me)
Suffocate (suffocate)

Tolerate (tolerate)
No one is innocent

Experience (experience)
Intolerance (intolerance)

Familiar (familiar)
Screaming faces

No one is innocent

Hey you, what the fuck is wrong with you? (4x)
What the fuck is wrong with you? (4x)

Why don't you finish yourself, since you don't really care
Let the screams in your head be the last thing you hear

Hey you, what the fuck is wrong with you? (8x)
What the fuck is wrong with you? (3x)

Hey you, what the fuck is wrong with you? (8x)
