

# Superman

Commodores

Well I don't take no stuff  
I'm jumping jack flash  
The bad guys try to do me in  
But I'm too smart for that  
Faster than a speeding bullet  
Jump buildings in a single bound  
Known throughout the country  
As the baddest, baddest man around  
'Cause I'm Superman  
I'm Superman

Watch out for Filthy McNasty  
He'll try to cross my lines  
From kryptonite to TNT  
He'll try to blow my mind  
But I fight him with my goodness  
I fight him with my strength  
If that don't work, my good friends  
I'll hit him, hit him with the kitchen sink  
Yeah  
'Cause I'm Superman  
I'm Superman  
Oh yeah

I'm rough, I'm tough  
I'm big bad stuff, yeah  
I'm rough, I'm tough  
I'm big bad stuff, yeah  
I'm rough, I'm tough  
I'm big bad stuff, yeah  
'Cause I'm the baddest, baddest, baddest man around  
'Cause I'm Super  
Yeah, I'm Superman

(He's Superman)  
(He's Superman)  
(He's Superman)  
(He's Superman)
