

# Talk To Me

Commodores

Come on in,  
Talk baby  
I'm all alone another night  
Where've you been pretty, pretty baby  
Don't wanna hear another lie

Open up,  
Talk to me,  
Don't be afraid to speak your mind.  
Come on in, (settle down, settle down)  
Come on in baby (settle down)

You got to talk to me  
You got to tell me what is on your mind  
You got to talk to me  
You got to let me know what's on your mind

Need to know  
Hey darling  
What's going on  
Things ain't right  
I hear your friends whispering baby  
It don't take long 'cause the rumors fly  
I want to know  
Talk to me  
I'm losing all my self control  
So come on in baby, (settle down, settle down)  
Come on in darling (settle down)

You know you got to talk to me  
You got to tell me what is on your mind  
You got to talk to me  
You got to let me know what's on your mind

Tell me what's on your mind oh baby

You know that I've been waiting  
You've got to talk to me  
You'd better use persuasion  
That will keep me from setting you free  
You've got to talk

What's on your mind  
I just don't know  
I've been wondering what to do what to say  
We can solve any problem  
Just open up and communicate

So come on in, (settle down, settle down)  
I want you to come on in baby (settle down) ohh

You got to talk to me  
You got to tell me what is on your mind  
Talk to me  
You got to let me know what's on your mind

Talk I want you to talk

Talk to me  
You got to tell me what is on your mind  
Talk  
Just talk  
Why don't you talk to me  
You've got to tell me what is on your mind  
Baby talk, talk to me  
You got to let me know whats on you mind  
Talk  
Drive me crazy  
Talk  
I want you to  
Talk
