Common

Say brother
If you ever let me leave out a club
With a big fat ass, stove-like bitch
Like that without point out the facts,
I'ma kick your motherfucking ass.
Man that nerve of the hoe not to give me no pussy.
Come up in my house trying to watch movies and shit.
This ain't no motherfucking cinema, bitch!
Who the fuck she thought I

Say brother, I wasted a evening
I should of went with you, but oh well
You know I gets my pussy anyway, you know
That's how players do
But god-dammit Rashan
That big ass bitch *cracks up*
If you'da said to spread on that hoe
Man I could kick my own ass
Well, should go to work
Just another wasted night
And oh, oh
Hey, hey, what can you say
