

Welcome everybody to the station that plays all the jams all the time

This is the illustrious and praise worthy Muhammad Ali

Comin' at you live, so live, you can hear me live

Only here on WMOE 108.9 fm stands for baaaaaad music!

Comin' up next a brand new tune from a personal associate of mine

Comin' straight out Chicago on Relativity Records

Here's a little something called Thisism

And just remember you heard it here first at WMOE 108.9

The live energy Hip Hop station

Gettin' on down with the big bad sounds

Check it out as we, continue on
