

Other Side Of Me

Conchita Wurst

Tonight I'm gonna go where I wanna
Say what I wanna
Be who I want to
Tonight you're gonna see for the first time
See what I have to say

Don't want you to let go of me
But try to see the other side of me
I'm moving in a different way
But I still need you here

Tonight you're gonna see like a star I'm shining
I'm right where I belong
But I'm scared to my bones
Don't blame me
Just hold me
Guess you know you have to set me free
I just hope you never leave me
Oh I just wanted you to see
The other side of me

And all the days I tried to stop me from thinking
Keep me from getting closer to knowing
I guess I wasn't all that easy to cope with
Open to talk to
Funny to be around

Don't want you to let go of me
But try to see the other side of me
I'm moving in a different way
But I still need you here

Tonight you're gonna see like a star I'm shining
I'm right where I belong
But I'm scared to my bones
Don't blame me
Just hold me
Guess you know you have to set me free
I just hope you never leave me
Oh I just wanted you to see
The other side of me
The other side of me

I'm gonna show you what I'm made of
You're gonna see where I'm coming from
I'm gonna say what I wanna
Do what I wanna
Be who I wanna be

Tonight you're gonna see like a star I'm shining
I'm right where I belong
But I'm scared to my bones
Don't blame me
Just hold me
Guess you know you have to set me free
I just hope you never leave me
Oh I just wanted you to see

The other side of me

Tonight I'm gonna go where I wanna
Say what I wanna
Be who you wanna
