

Under the Gun

Conchita Wurst

Under the gun
Under the gun
Under the gun
Under the gun

I - I feed, I lead, I nurture
I live and I dare, live and I dare my fortune
Call me cheeky, call me wild
A traveller needs, a traveller needs a guide

Sometimes I'm under the gun, under the gun, under the gun
Sometimes I'm under the gun, under the gun, under the gun

Too far in
I am, I am too far in
I am, I am too far in
I am, I am

Go go go
Forward and straight
I won't go slow
A doer can't wait so I go go go
Forward and straight
I won't go slow
A doer can't wait so I go go go

Under the gun
Under the gun
Under the gun
Under the gun

I - I can't right now
I'm off to conquer the world
Show them the way
Give it a shot
I see you rolling your eyes
Alright, alright
I won't let it stop
Won't let it stop me

Cause I like being under the gun
I like being under the gun
I like being under the gun
I like...

Go go go
Forward and straight
I won't go slow
A doer can't wait so I go go go
Forward and straight
I won't go slow
A doer can't wait so I go go go
Go go go
Go go go
Go go go

I like... under the gun

I like... under the gun
I like... under the gun
I like...

Go go go
Forward and straight
I won't go slow
A doer can't wait so I go go go
Forward and straight
I won't go slow...
So I go go go
Forward and straight
I won't go slow
A doer can't wait so I go go go
Forward and straight
I won't go slow
A doer can't wait so I go go go
Go go go
Go go go
Go go go
