

Love Games

Coney Hatch

Love hot, love fast
Play your high cards last
It's a game of chance
High priced romance

Don't tell me I don't try
'Cause I know you'd lie
Call me incomplete
In the drivers seat

Cold hand, cold heart
Tears us apart
If you don't know
Then you won't go

Make you mind up now
And I'll tell you how
To keep me in line
Gotta read the signs

Love games
Playin' love games
Playin' love games
All the time

Was that a kiss of lust
Or a kiss of trust
I got love to burst
Can I touch you first

Find a nice dark street
I'll park we'll meet
You know you ain't won yet
Just don't forget about

Love games
Playin' love games
Playin' love games
All the time

Love games
Whatcha doin
(Playin' love games)
Hey, where ya goin'
(Playin' love games)
All the time

You keep playin' those
(Love games)
Love, love, love games
(Playin' love games)
Ooh
(Playin' love games)
And you don't play fair
(All the time)

Hey, oh

Oh, show me mama, again
