

I'm Not Fallin' for That

Confederate Railroad

Well here you come walking in like you own the place
Everybody's looking at you
You're thinking that you stepped of the cover of a magazine
But girl I know what you're up too
Like a black widow spider spinning her web
I know how the story ends I fell once in over my heart
And I ain't falling again

No I'm not falling I'm not falling I'm not falling for that
Cause I been down that road with you and girl I ain't never going back
Cause a man can't forgive what he can't forget
And I ain't forget you yet so I'm not falling I'm not falling for that

They say what appears isn't what you always see girl I know that it's true
Cause I see heartache looking for a soul to take when I be looking at you
So go ahead strut your stuff play them silly games I ain't falling again

Like said to Scarlett frankly dear I don't give a damn

No I'm not falling I'm not falling I'm not falling for that
Cause I been down that road with you and girl I ain't never going back
Cause a man can't forgive what he can't forget
And I ain't forget you yet so I'm not falling I'm not falling for that

Like a black widow spider spinning her web
I know how the story ends I fell once in over my heart

And I ain't falling again
No I'm not falling I'm not falling I'm not falling for that
Cause I been down that road with you and girl I ain't never going back
Cause a man can't forgive what he can't forget
And I ain't forget you yet so I'm not falling I'm not falling for that
Yeah I'm not falling I'm not falling I'm not falling for that
