

# The Man I Am Today

## Confederate Railroad

I knew my life did change for good  
When I laid eyes on you  
A blessing sin from god above  
An angel pure and true  
Since then I've never been the same  
All that I can say is you made me the man I am today

I'm barely broken  
Started back smoking and I stayed drunk all the time  
My egos mattered, dreams were shattered  
Living on my last night  
My Friends all say it's a crime to shame  
I've turned down this way  
Honey you made me the man I am today

I can't help but think about  
The way life used to be  
Back before you broke my heart  
And made a fool of me  
When I still had the will to live  
You took that away  
You made me the man I am today

I'm barely broken  
Started back smoking and I stayed drunk all the time  
My egos mattered, dreams were shattered  
Living on my last night  
My Friends all say it's a crime to shame  
I've turned down this way  
Honey you made me the man I am today  
Yeah

I'm barely broken  
Started back smoking and I stayed drunk all the time  
My egos mattered, dreams were shattered  
Living on my last night  
My Friends all say it's a crime to shame  
I've turned down this way  
Honey you made me the man I am today

It hurt me bad , it feels so sad  
It's enough to turn a man learn yey  
Enough  
Honey you made me the man I am today
