Hang On

The Connells

There's peace in the valley and the scum's moving in And I'm here in Rallee, really. But what does it matter when you're doin' well I'm just here getting sadder, really. Hang on, hang on, brother. Hang on, hang on. Hang on to your head hang on to your heart Hang on, hang on. There's noise from the 'hill side And we're all listening in from here on the outside, really. Hang on, hang on, brother. Hang on, hang on. Hang on to your head hang on to your heart Hang on, hang on.
