

Living In The Past

The Connells

Happy and I'm smiling, walking miles to drink your water.
You know I'd love to love you, and above you there's no other.
We'll go walking out while others shout on disaster.
Oh no, we won't give in, let's go living in the past.

Once I used to join in, every boy and girl was my friend.
Now there's revolution but they don't know what they're fighting.

We'll just close our eyes, outside the lights go on much faster
.

Oh no, we won't give in, let's go living in the past.

Oh no, we won't give in, let's go living in the past.

Oh no, we won't give in, let's go living in the past.
