

# Happy Days And Lonely Nights

Connie Francis

My memory takes me to  
The wonderful nights we knew  
When I made love to you until the dawn.  
You left and to my surprise  
I'm laughing with tear dimmed eyes  
Because I realise  
I can't go on my darling.

With the parting of the ways  
You took all my happy days  
And left me lonely nights.  
Morning never comes too soon  
I can face the afternoon  
But oh, those lonely nights.  
I feel your arms around me,  
Your kisses linger yet,  
You taught me how to love you,  
Now teach me to forget!  
You broke my heart a million ways  
When you took my happy days  
And left me lonely nights.

The beautiful month of May  
Without you is sad and grey,  
Oh, how I hate the day, I let you go.  
I find that my happiness,  
Depends on your sweet caress  
I thought I loved you less,  
But now I know, my darling.

With the parting of the ways  
You took all my happy days  
And left me lonely nights.  
Morning never comes too soon  
I can face the afternoon  
But oh, those lonely nights.  
I feel your arms around me,  
Your kisses linger yet,  
You taught me how to love you,  
Now teach me to forget!  
You broke my heart a million ways  
When you took my happy days  
And left me lonely nights.
