

I Don't Love You Anymore

Connie Smith

I don't love you anymore, not the way I did before
And since you've found someone new, I think it's best
I don't cry and walk the floor, I don't love you anymore
Trouble is, I don't love you any less.

I don't love you anymore, for I've got no more love to give
You drained my heart of all its love with every sweet caress
I keep saying o'er and o'er, I don't love you anymore
Trouble is, I don't love you any less.
I held you close to me one time, kissed your lips and called you mine
But another came and thrilled you more, I guess
I cried as you walked out the door, I don't love you anymore
Trouble is, I don't love you any less.

Trouble is, I don't love you any less
