Once I was seven years old my momma told me
Go make yourself some friends or you'll be lonely
Once I was seven years old

It was a big big world, but we thought we were bigger
Pushing each other to the limits, we were learning quicker
By eleven smoking herb and drinking burning liquor
Never rich so we were out to make that steady figure

Once I was eleven years old my daddy told me
Go get yourself a wife or you'll be lonely
Once I was eleven years old

I always had that dream like my daddy before me
So I started writing songs, I started writing stories
Something about that glory just always seemed to bore me
Cause only those I really love will ever really know me

Once I was 20 years old, my story got told
Before the morning sun, when life was lonely
Once I was 20 years old

Cause nothing is gonna hurt me when my eyes shut
I can see through them, through them
I'm drawing pictures, I'm fading
Will not use them, use them
Okey
