

Cold Water

Conor Maynard

Everybody gets high sometimes, you know
What else can we do when we're feeling low?
So take a deep breath and let it go
You shouldn't be drowning on your own

And if you feel you're sinking
I will jump right over
Into cold, cold water for you
And although time may take us
Into different places
I will still be patient with you

And I want you to know
I won't let go
I'll be your lifeline tonight
I won't let go
I'll be your lifeline tonight

'Cause we all get lost sometimes, you know
It's how we learn, and it's how we grow
I wanna lay with you 'til I'm old
I wanna lay with you 'til I'm old
You shouldn't be fighting on your own

And if you feel you're sinking
I will jump right over
Into cold, cold water for you
And although time may take us
Into different places
I will still be patient with you

I hope you know

I won't let go
I'll be your lifeline tonight
I won't let go
I'll be your lifeline tonight
