

# Crowded Room

Conor Maynard

I still remember that perfect smile  
That you gave me the first time I saw you  
I knew it then and I still know now  
That my darling I'll always adore you

Promise me that you'll always be  
The same person you've always been  
And love me whether I'm strong or weak  
Say you won't let go  
Say you won't let go

I'm standing in a crowded room  
But it doesn't change that all I see is you  
I swear that you're perfect  
I don't deserve this night with you  
Night with you, oh  
I'm standing in a crowded room  
If heaven's a place then it was made for two  
I swear that you're perfect  
I don't deserve this night with you  
But I'd love to  
Spend my life with you

I swear it feels like you're made for me  
By the way that our lips fit together  
And when we lay in each others arms  
Hope you know I could stay there forever

Promise me that you'll always be  
The same person you've always been  
And love me whether I'm strong or weak  
Say you won't let go  
Say you won't let go

I'm standing in a crowded room  
But it doesn't change that all I see is you  
I swear that you're perfect  
I don't deserve this night with you  
Night with you, oh  
I'm standing in a crowded room  
If heaven's a place then it was made for two  
I swear that you're perfect  
I don't deserve this night with you  
But I'd love to  
Spend my life with you

I'm standing in a crowded room  
And everyone knows that all I need is you  
I knew when I met you  
I'd never forget this night with you  
Night with you

I'm standing in a crowded room  
But it doesn't change that all I see is you  
I swear that you're perfect  
I don't deserve this night with you  
Night with you, oh

I'm standing in a crowded room  
If heaven's a place then it was made for two  
I swear that you're perfect  
I don't deserve this night with you  
But I'd love to  
Spend my life with you
