

Hotline Bling

Conor Maynard

You used to call me on my cell phone
Late night when you need my love
Call me on my cell phone
Late night when you need my love
And I know when that hotline bling
That can only mean one thing
I know when that hotline bling
That can only mean one thing

Ever since I left the city, you
Got a reputation for yourself now
Everybody knows and I feel left out
Girl, you got me down, you got me stressed out
'Cause ever since I left the city, you
Started wearing less and goin' out more
Glasses of champagne out on the dance floor
Hangin' with some girls I've never seen before

She told me don't worry
About it
She told me don't worry
No more
'Cause I can't feel my face when I'm with you
But I love it
I love it

What do you mean?
Ooh
When you nod your head yes
But you wanna say no
What do you mean?
Oh oh oh
What do you mean

Oh late night, when you needed my love
Oh, late night when you needed it most
'Cause I know when that hotline bling
We were gonna be something
Yeah I know when that hotline bling
We were gonna be something
