

# Mary Go Round

Conor Maynard

I feel the lights fade away,  
You always put me in this place, no  
Holding on, I can't let go, here we go again  
The dream is over I'm awake,

Dizzy, I can't take it, can we make it stop? Now.  
Mary, Mary go around  
Why you playing me, turn me upside down  
Mary, let me hit the ground, get me off ya  
While you go round and round and round  
(Round and round and round and round oohh)

Am I your lover or your friend? Whoa  
Will this circle ever end? Ohh  
Promises that lead to tears or I keep coming back, baby  
Here we go again, again.

Dizzy I can't take it, can we make it stop? Now.  
Mary, Mary go around  
Why you playing me, turn me upside down  
Mary, let me hit the ground, get me off ya  
While you go round and round

Mary, Mary go around  
Why you playing me, turn me upside down  
Mary, let me hit the ground, get me off ya  
While you go round and round and round

Go play with someone else  
I'm getting off this ride right now  
Someday you're gonna want me back but I won't come back  
No no  
Go play with someone else  
I'm getting off this ride right now  
Someday you're gonna want me back but I won't come back  
No noo  
Ohh yeah yeahh  
Not Coming Back No

Mary, Mary go around  
Why you playing me, turn me upside down  
Mary, let me hit the ground, get me off ya  
While you go round and round
