

Stuck With U

Conor Maynard

I'm not one to stick around
One strike and you're out, baby
Don't care if I sound crazy
But you never let me down
No, no
That's why when the sun's up I'm stayin'
Still layin' in your bed singin'

Oh, oh, oh, oh
Got all this time on my hands
Might as well cancel our plans, yeah
I could stay here for a lifetime

So lock the door
And throw out the key
Can't fight this no more
It's just you and me
And there's nothing I, nothing I, I can do
I'm stuck with you, stuck with you, stuck with you

So go ahead
And drive me insane
Baby, run your mouth
I still wouldn't change being
Stuck with you, stuck with you, stuck with you
I'm stuck with you, stuck with you, stuck with you, baby

There's nowhere we need to be
No, no, no
I'ma get to know you better
Kinda hope we're here forever
There's nobody on these streets
If you told me that the world was ending
Ain't no better way that I could spend it

Oh, oh, oh, oh
Got all this time in my hands
Might as well cancel our plans, yeah
I could stay here forever

So lock the door
And throw out the key
Can't fight this no more
It's just you and me
And there's nothing I, nothing I, I can do
I'm stuck with you, stuck with you, stuck with you

So go ahead
And drive me insane
Baby, run your mouth
I still wouldn't change being
Stuck with you, stuck with you, stuck with you
I'm stuck with you, stuck with you, stuck with you
