

# Work

Conor Maynard

Work, work, work, work, work but she said I gotta  
Work, work, work, work, work but she saw me do my  
Dirt, dirt, dirt, dirt, dirt so I put in  
Work, work, work, work, work  
When I gotta learn, learn, learn, learn, learn  
Don't want her to be hurt, hurt, hurt, hurt, hurting

Trying to deserve me  
No time to have you lurking  
I know you tell me you don't like it  
But you know I dealt with you the nicest  
Nobody touching me so righteous  
Nobody text me in a crisis  
And if I get another chance to  
I'll never, no never neglect you  
I mean who am I to hold your past against you?  
I just hope that it gets to you  
I hope that you see this through  
I hope that you see this through  
What can I say?  
Please recognize, I'm trying baby every

Work, work, work, work, work but she said I gotta  
Work, work, work, work, work but she saw me do my  
Dirt, dirt, dirt, dirt, dirt so I put in  
Work, work, work, work, work  
When I gotta learn, learn, learn, learn, learn  
Don't want her to be hurt, hurt, hurt, hurt, hurting

You need to get done, done, done, done at work, come over  
We just need to slow the motion  
Don't give that away to no one  
Long distance I need you  
When I see potential I just gotta see it through  
If you had a twin, I will still choose you  
I don't want to rush into it if it's too soon  
I know you need to get done, done, done, done if you come over  
I'm sorry if I'm way less friendly  
I got bad women trying to tempt me  
Oh, I spilled all my emotions tonight, I'm sorry  
Rollin', rollin', rollin', rollin', rollin'  
How many more shots until you're rollin'?  
We just need a face to face  
You could pick the time and the place  
You spent some time away  
Now you need to forward and give me all that

Work, work, work, work, work, work  
You said I gotta work, work, work, work, work, work  
You saw me do my dirt, dirt, dirt, dirt, dirt, dirt  
So I put in work, work, work, work, work, work  
When I gotta learn, learn, learn, learn, learn, learn  
Don't want her to be hurt, hurt, hurt, hurt, hurt, hurting
