Fellowship

Conquest

The time has come to meet the danger Someone must go to fulfil the last line Of prophesy

Fearless and brave in the great adventure To save the world we are here Selflessly and steady in our fellowship

Our enemy is guileful and crafty Gather his force in the shade of night So we must keep

Fearless and brave in the great adventure To save the world we are here Selflessly and steady in our campaign

We'll make a new day Clear and fair With our fellowship
