

Learning To Let Go

Corey Crowder

Am I wasting my breath? Because its still in my mind that
its always the wrong place at the wrong time. So lets
face the facts, we all make mistakes. But weve got to
live life before it passes right by.

So before you pack your things and go, theres one last
thing that I want you to know.
You cant find happiness if you wont let go.

We can agree on one thing. You cant fight fate with fate.
We had a good love, but its seen its last day. When
opportunity knocked you had to answer the call. Now those
clouds on that sunny day have all blown away.

Open your eyes. Youre bound to get hurt sometime
