

## Sparrows

Cory Asbury

The sparrow's not worried 'bout tomorrow  
Or the troubles to come  
The lily's not thinking 'bout the seasons  
The drought or the flood  
A tree that's planted by the water  
Isn't fazed by the fire  
So why should I be?

'Cause You take good care of me  
You take good care of me  
You know what I need before I even ask a thing  
And You hold me in Your hands  
With a kindness that never ends  
I'm carried in Your love no matter what the future brings  
Yeah, You take good care of me

The sun's not worried 'bout the winter  
'Cause soon it will pass  
The light's not thinking 'bout the darkness  
Or the shadow it casts  
A heart that's planted in forgiveness  
Doesn't dwell in the past  
So why should I be?

'Cause You take good care of me  
You take good care of me  
You know what I need before I even ask a thing  
And You hold me in Your hands  
With a kindness that never ends  
I'm carried in Your love no matter what the future brings  
Yeah, You take good care of me

I know there must be more  
But I can't get past Your kindness  
I know there's got to be more  
But I can't get past Your goodness  
I know there must be more  
But I can't get past Your kindness  
I know there's got to be more  
But I can't get past Your goodness

You take good care of me  
You take good care of me  
You know what I need before I even ask a thing  
You hold me in Your hands  
With a kindness that never ends  
I'm carried in Your love no matter what the future brings  
Oh, You take good care of me
