

# Unraveling

Cory Asbury

I'm coming apart at the seams  
And everyone's pulling at me  
And I am unraveling  
This smile isn't quite what it seems  
But it does well to hide what's beneath  
Where the pressure is staggering

In the unraveling  
Father unravel me  
When I can't feel a thing  
Have mercy and let me bleed  
I know it's dumb  
But I have been numb  
For way too long  
And oh, oh, oh  
And oh, oh, oh, oh

So goodbye now, yellow brick road  
Thanks a lot what I need is back home  
So homeward I'm traveling

And in the unraveling  
Father unravel me  
When I can't feel a thing  
Have mercy and let me bleed  
I know it's dumb  
But I have been numb  
For way too long  
And oh, oh, oh  
And oh, oh, oh, oh

I don't wanna be alone anymore  
I don't wanna survive anymore  
And I wanna feel, unravel me  
Yeah

I'm coming apart at the seams  
It's worse than I thought it would be  
But I've never been happier
