

How Can It Be

Count Raven

Where do you think you're going
In your worldly greed and pride?
Say, where do you think you're going now
It's time to turn the tides

How can it be that you forgot how to love?
How can it be that you forgot how to love?

What do you think you're doing?
You worship demi-gods
Twisting things that's sacred
To use for your own cause

How can it be that you forgot how to love?
How can it be that you forgot how to love?
You're wicked

No wonder you fill ill
In a sick society
Why don't you change your ways
And live in harmony?

Get rid of all your agony
And let your feelings show
Kindness gains humanity
Let peace and happiness flow, yeah!

Where do you think you're going
In your worldly greed and pride?
Say, where do you think you're going now
You've got to turn the tides

How can it be that you forgot how to love?
How can it be that you forgot how to love?

Now God, won't you show them how to love?
