

Shine

Count Raven

I know what I'm all about my body gon a change me,
I stand my ground and deal with negativited,
I got my mind made up,
I'm gonna do whatever makes me happy,
One step at a time, I choose my own destiny.

No Doubt, about,
My dreams are coming true,
Won't stop can't stop,
DO what I need to do,

I can stand upon my own,
No one can bring me down down,
I know I'm gonna shine shine,
I will hold my head up high,
I'm gonna make it through,
Because it's my time to shine shine, Shine shine.

I don't let things get to me,
I want to live stress free,
No one, and nothing gonna get the best of me,
Believe in myself no matter how hard things may seem,
I'm clamming to the top,
My dreams will in reach, (Ohhh)

I'll never lose sign of what I want in my life,
I'll stay true to myself,
No one can tell me, what the future holds,
I'll stay strong no matter,
I will survive, I'm gonna shine.
