

# You Know My Name

Courtney Love

Hey!  
You know my name  
I'll bring the truth  
I'll never change

Hey!  
I am the one  
The one you blame  
I'll bring the shame

And reputation  
Precedes us all  
I was never here

I don't believe in you  
I don't believe in you  
I don't believe

And all this world is burning up  
It's time that you retire  
Get ready for your last close up  
And all of you are fired, hey!

Hey!  
You know my name  
I am the one  
Who brings the shame

And hey!  
You want the truth  
And I'm never wrong  
Not about you

I don't believe in you  
I don't believe in you  
I don't believe

I don't believe in you  
I don't believe in you  
I don't believe

And all this world is burning down  
And all this world's a stage  
And all of you, you look like clowns  
And all this world's a cage, hey!

Hey!  
You know my name  
You always have  
I tell the truth

And hey!  
I'm never wrong  
I'm never wrong  
Not about you

Then I woke up, smelled the burning

Yeah, I woke up, dead or winning  
Lost the battle, lost the war  
That's not what we came here for

Turn me up, my name is never  
No my name, my name is never  
Never surrender, never tell  
Won the war, now go to hell□
