## **Brothers Under the Bridge**

## **Cowboy Junkies**

Saigon, it was all gone
The same coke machines as the streets i grew on
Down a mesquite canyon we come walking along the ridge
Me and the brothers under the bridge

Campsite's an hour's walk from the nearest road to town Up here there's too much brush and canyon for the chp choppers to touch down

Ain't lookin' for nothin', just wanna live Me and the brothers under the bridge

Come the santa ana's, man, that dry brush'll light
Billy devon got burned up in his own campfire one winter night
We buried his body in the white stone high up along the ridge
Me and the brothers under the bridge

Had enough of town and the street life Over nothing you end up on the wrong end of someone's knife Now i don't want no trouble and i ain't got none to give Me and the brothers under the bridge

I come home in '72

You were just a beautiful light in your mama's dark eyes of blu e

I stood down on the tarmac, i was just a kid Me and the brothers under the bridge

Come veteran's day i sat in the stands in my dress blues I held your mother's hand when they passed with the red, white and blue

One minute you're right there . . . Then something slips . . .
